Program Overview

PACK E.L.I.T.E. Reward Program

E.L.I.T.E. = Engaged Learners with Integrity, Timeliness, and Excellence

At **KIPP St. Louis High School**, we don't just show up, we show out. We rise. We lead. We grow.

The **PACK E.L.I.T.E.** program is our way of celebrating students who represent the very best of our school culture: those who stay locked in on their goals, walk with integrity, make strong choices, and lift others as they climb.

Just like there are many ways to show leadership and growth, there are multiple ways to be great right now. PACK E.L.I.T.E. is about recognizing every step forward, no matter where you start.

You'll level up one stage at a time, earning real rewards and real recognition along the way. Each level represents a new tier of leadership and excellence. You must complete each level in order and the slate resets every quarter, giving you a fresh chance to climb.

At the start of every month, we'll honor our PACK E.L.I.T.E. achievers during Community Meeting.
