Subject: Letter of Recommendation for Keena Moore

To whom it may concern:

I am writing this letter on behalf of Keena Moore. I have had the experience of working with Ms. Moore during the 2010 /11 school year at Hazelwood East H.S. During that time, I worked with her directly as a teacher on one of our freshmen teams. I have observed her in the classroom and she strives to provide students with a safe learning environment where they feel comfortable in asking questions and eager to learn.

Ms. Moore is a teacher that really cares about her students and will go the extra mile to make sure those who have fallen behind in their work or grades are provided with opportunities to improve their knowledge and their grades. She makes herself available for tutoring after school hours.

Ms. Moore embraces innovative classroom instructional techniques and provides exemplary learning opportunities. Her commitment to student success is demonstrated in her interesting lesson plans and daily supervision on student – led projects.

Ms. Moore holds high expectations for her students. She is very well organized and has an interest for her students of high priority. She is always available to do activities outside the classroom. Ms. Moore has established relationships among her supervisors, co-workers, and students that are lasting and respectful.

She is a highly competent, enthusiastic, and professional educator whose hard work and effort generate high quality work from her students. Ms. Moore motivates her students to put forth their best effort and to show pride in their accomplishments.

I believe that Ms. Moore will be an outstanding administrator because she is dedicated to the welfare of students and her desire to be a positive influence will enable her to lead with heart and sound judgment.

Sincerely yours,

Bill Westbrooks
