KIPP St. Louis High School

COLLEGE PREPARATORY PUBLIC SCHOOL

To Whom It May Concern,

I am writing to offer my strongest recommendation for Keena Moore who currently serves as the Assistant School Leader of Operations under my leadership. In this role, she has proven herself to be an exceptional operational leader who balances systems, people, and urgency with consistency and care.

One of her greatest strengths is her ability to connect with people while holding clear expectations. She builds trust quickly with staff, students, and families, which allows her to lead difficult operational work—particularly around attendance—with both empathy and accountability. She has consistently led attendance meetings with precision and follow-through, ensuring that daily calls for absent students are completed without exception. Her persistence in this area has directly strengthened our school's attendance systems and family communication.

She is also highly skilled in delegation and systems management. Rather than attempting to do everything herself, she assigns responsibilities strategically, follows up with clarity, and ensures work is completed. This has created efficiency, ownership, and sustainability within many of our operations systems specifically around buses, and parent outreach.

From a financial and operational standpoint, she effectively manages the school-wide budget, including ordering and submitting requisitions with accuracy and timeliness. Her stewardship of resources reflects both fiscal responsibility and a deep understanding of how operational decisions impact instruction and student experience.

Overall, Keena Moore is a dependable, thoughtful, and leader who brings structure without losing sight of people. She would be an asset to any organization seeking a strong operations leader who can execute systems, lead teams, and support a school's mission with integrity.

I recommend her without hesitation. Please feel free to contact me if additional information would be helpful.

Sincerely,

Brenda Smith
Principal
