KIPP: TULSA
SCHOOL LEADERSHIP

I have had the esteem pleasure of successfully working with Ms. Keena Moore as the Assistant Principal of Curriculum & Instruction during the 2014-2019 school years. I have personally witnessed her leadership skills, cooperative spirit, professional attitude, and proven track record to properly access data and relay this information to our teachers. In return, we have seen an increase among our scholars overall state-wide testing range. I strongly endorse her as a candidate for your Administrative Team.

Ms. Moore exhibits her administrative skills daily as she works collaboratively with her colleagues and has developed an especially close, working relationship with her coworkers. Together, they have a proven track record in promoting our staff that have elevated our scholars to new heights. Ms. Moore also facilitates the implementation of several faculty professional development opportunities for our staff in reference to the betterment of technology skill-sets in the classroom.

Moreover, one of Keena's exceptionally strong methodologies is her use of cooperative groups. When we meet as a school leadership team to discuss Leadership and Character Education (LACE), I have always found her to be the quintessential professional. She listens to others opinions with interest, offering suggestions based upon sound pedagogy, and demonstrating a sincere willingness to try new strategies. Earnestly caring for her fellow colleagues and the students she serves is also a strong and notable trait in her personality. Ms. Moore has excellent leadership skills, eagerness to learn, a pleasant personality, an easygoing yet professional disposition and is cheerful, positive, and friendly. Keena will fit in very comfortably with a group of professional administrators who are serious about their work but also knows when it is the right time to joke and relax. Her professionalism is a well-balanced blend of competence, experience, and cordiality. I eagerly give my endorsement of Keena Moore's skills and professionalism without hesitation and with the highest acclamation.

In conclusion, I strongly endorse Ms. Keena Moore for a leadership position and genuinely believe that she will be an asset to your school. Ms. Keena Moore's strong managerial background in combination with her additional skill sets will allow her to excel in her daily leadership role.
