RE: Keena Moore

April 2, 2012

To whom it may concern:

It is my pleasure to recommend Ms. Keena Moore for the Assistant Principal position in your organization. As a colleague and friend, I know Ms. Moore to be intelligent, diligent, and professional.

Ms. Moore and I began working together in the summer of 2011; she was hired on as our Freshman Coordinator. Instantly, Ms. Moore solidified herself as a central part of the administration team. Ms. Moore is an exceptional leader and role model; she effectively manages all freshman activities. She communicates expectations to students, parents and freshman staff; conducts regular home visits to increase attendance and reduce with problematic behaviors; she works with local organizations and businesses to gain much needed resources; and she has an open door policy for all of the students, families and staff that she serves. Keena truly exemplifies an instructional leader.

Additionally, Ms. Moore is an outstanding advocate for the students at Sumner High School. She works hard to establish and maintain honest, open relationships with the student body. Often, students seek her guidance for problem solving and encouraging support.

Moreover, Keena and I became good friends. She provided me with compassionate support when I needed it most. Many times, she supplied me with a listening ear and wise counsel. She is faithful in sharing her time. In essence, Keena is a model leader and an excellent friend.

In summation, Ms. Keena Moore would be a wonderful addition to your organization. She brings a wealth of knowledge, experiences and abilities that will advance your establishment.

Sincerely,

Enna Dancy
