CHARLES E. SUMNER HIGH SCHOOL

Dr. Kelvin Adams
Superintendent of Schools
Isiah McHellen, Principal

March 15, 2014

To Whom It May Concern;

It is my great pleasure to recommend Keena Moore for an administrative position in your district. Ms. Moore has served as Sumner High School's Freshman Academy Coordinator, and was promoted to her current position as my Assistant Principal in 2013. Over the past three years, I have found her to be a professional and highly capable administrator. She has gained the confidence and respect of our school community with her passion for education and the actions she takes to ensure the academic, social, and emotional well-being of every child.

As the Assistant Principal, Ms. Moore's commitment to student achievement, innovative thinking and sound understanding of curriculum and instruction make her an intricate part of everything we do. She assists in the supervision of over 40 certified and non-certified staff members, leading bi-weekly school-wide staff meetings, data chats, and PLC meetings to prioritize, address and resolve emerging challenges related to meeting the demands of a Turnaround School.

Ms. Moore has indeed made a profoundly positive impact on the climate and culture of Sumner High School. She walks the campus throughout the day engaging with students and staff, and often spends additional time developing a rapport with our at-risk youth. Ms. Moore infuses a contagious enthusiasm among staff for surmounting challenges associated with students, building student community and addressing individual student needs. Her caring personality has allowed her to build positive relationships with parents, families and the school community, motivating them to become more invested in student success. Ms. Moore's genuine contributions establish a safe, effective and empowered community both inside and outside the school.

As you can tell, I am impressed with Keena Moore and can give her an extremely high, heartfelt, recommendation for the administration position in your district. She is a proficient and dedicated educational leader. If you decide to hire her, you will gain a wonderful educator, and we will lose a great asset to our district. If I can be of further assistance to you or to her in this effort, please do not hesitate to contact me via email at Isiah.mchellen@slps.org or by phone at 210-482-9533.

Respectfully,

Isiah McHellen
