Statement of company policy/master agreement on this subject:

JOB PERFORMANCE

Each employee is expected to observe and follow KIPP St. Louis' and all policies and procedures in this Handbook or otherwise in effect to maintain proper standards of conduct at all times. The conduct of our employees reflects on the region as a whole, therefore employees are expected to observe the highest standards of professionalism and integrity.

The rules set forth below are intended to provide employees with some guidelines regarding expected conduct and performance. The following list is intended to set out limited examples and is not intended to be exhaustive. Employees should be aware that conduct not specifically listed below also might result in disciplinary action up to and including termination.

Employees may earn discipline, up to and including termination for not meeting job or professionalism expectations; a non-exhaustive list of inappropriate behaviors is below:

1. Failure to meet performance standards;

Summary of corrective action to be taken (include dates for improvement and plan for follow-up):

Please review the below expectations regarding performance standards;.

- [redacted] will consult with her immediate supervisor, Ms. Moore, prior to making any changes to attendance.

Consequences of failure to improve performance or correct behavior:

Continued failure to follow established procedures regarding student attendance may result in further disciplinary action up to and including termination of employment..

KIPP St. Louis
PUBLIC SCHOOLS

Please be advised all employees are expected to comply with KIPP St. Louis standards of behavior and performance as well as adhere to policy regarding codes of conduct. Be advised if you do not meet expectations or make sufficient progress towards expectations, disciplinary action may be escalated up to and including termination or a rescind of employment offer for the upcoming school year.

Acknowledgment:

The above has been discussed with me by my Manager/School Leader. I acknowledge and understand the contents and the corrective action required. All I did understand, I sought out and received an answer. I also acknowledge and understand the potential consequences of noncompliance.
